ADDRESSING TELEGRAMS TO THE FIELD

Foreign Service posts have official registered cable addresses and to avoid delay and insure delivery to the correct address such addresses should be used for telegrams. They are:

For embassies—Amembassy, for legations—Amlegation, and for both consulates general and consulates—Amconsul. The U.S. Mission at Berlin should be addressed USBER. For example:

Amembassy PARIS
Amconsul SINGAPORE

Amlegation BUCHAREST
USBER BERLIN

ADDRESSING CORRESPONDENCE TO THE FIELD

It is most important that official correspondence be correctly addressed to the post and not to an individual. To avoid delay and insure prompt attention, it should be addressed, for example, to—

The American Embassy,
Paris,
France.

The American Consulate,
Saint John,
New Brunswick, Canada.

DIVISION OF PUBLISHING SERVICES

PREFACE

The *Foreign Service List*, issued quarterly by the Department of State, is compiled primarily for use by the Department of State, the Foreign Service, and other United States Government Agencies to provide information on the assignments of Foreign Service personnel and other United States personnel assigned overseas. The information it contains has also been found useful by American business firms, various groups and individuals, and foreign governments.

The *List* includes: chiefs of mission; Foreign Service officers; Foreign Service Reserve officers; Foreign Service Staff officers of class six and above; Foreign Service Staff officers of class seven and eight with the title "vice consul" when assigned to a post having a complement of one, two or three officers; and consular agents. Special sections are also included on officers of the Agency for International Development, the United States Information Agency, the Foreign Agricultural Service of the United States Department of Agriculture, and the Departments of Army, Navy, and Air Force.

Personnel are listed in this publication at their respective posts, with their titles, category, and class. The date of assignment listed for ambassadors and ministers is the date of attestation and/or recess appointment; for all other officers at the post, the effective date of transfer is listed except in cases where a commission is involved for a consul general, consul, or vice consul. This information is taken from personnel action forms.

The listing of personnel at Embassy and Legation posts is by section and is alphabetical within the section with the exception of the chief of mission, the deputy chief of mission, and the section chief who are listed first under each section. At all other posts the listing is alphabetical except for the principal officer who appears first under each post.

A section is also included giving data on the opening and closing of posts; posts raised in rank and status; and other pertinent data.

Only that information received prior to the fifteenth of the month preceding the issue date of the publication is included. Therefore, the *List* does not necessarily reflect the current diplomatic or consular status of every individual listed. Users in the United States may ascertain the current status of any officer of the United States assigned to a Foreign Service post by communicating with the Department of State, Washington 25, D.C. Users overseas may secure the same information by communicating with the American Embassy or Legation in that country.

This *List* is compiled by the Division of Publishing Services, Office of Operations, and necessary corrections should be reported to that Division.
